

Luciano Javier Monza Cachán, PhD

Architect & Healthcare Infrastructure Specialist

Work Address: Álvarez Thomas 20, 4th Floor, Apt. A, (1427) Buenos Aires, Argentina
Phone: +54 11 2105-4890 (Work) | +54 9 11 5118-7781 (Mobile)
Email: ljmonza@gmail.com | lmonza@arquisalud.com.ar | proyecto.salud@fadu.uba.ar
Nationality: Argentine, Italian, and Chilean

EDUCATION

PhD in Architecture (Doctor en Arquitectura)

Faculty of Architecture, Design and Urbanism (FADU), University of Buenos Aires (UBA)
2017 – 2025

Specialist in Social Sciences and Health (*As part of the Master's Degree Program*)

Center for State and Society Studies (CEDES) & Latin American Faculty of Social Sciences (FLACSO), Buenos Aires
2002 – 2004

Specialist in Healthcare Physical Resource Planning

Faculty of Architecture, Design and Urbanism (FADU), University of Buenos Aires (UBA)
1999

Architect (AIA equivalent / Professional Degree)

Faculty of Architecture, Design and Urbanism (FADU), University of Buenos Aires (UBA)
1983 – 1989

ACADEMIC & TEACHING EXPERIENCE

2016 – Present | Program Director & Lecturer

Advanced Training Program in Healthcare Building Design.

Faculty of Architecture, Design and Urbanism (FADU), University of Buenos Aires (UBA).

2022 – Present | Guest Lecturer

Executive Diploma in Strategic Management of Healthcare Services.

“Floreal Ferrara” Provincial School of Government in Health, Ministry of Health of the Province of Buenos Aires / Faculty of Architecture and Urbanism, National University of La Plata (UNLP).

2022 – Present | Lecturer

Postgraduate Course: Healthcare Buildings and Surgical Area Design.

Faculty of Architecture and Urbanism, National University of La Plata (UNLP).

2022 | Lecturer

Master's Degree in Hospital Architecture.

Universidad Mayor, Real y Pontificia de San Francisco Xavier, Sucre, Bolivia.

2021 | Program Committee Member

Co-authored and developed the Healthcare Architecture Residency Program for the Ministry of Health of the Province of Buenos Aires. (*Approved under DISPO-2021-367-GDEBA-DPEGSFFMSALGP*).

2020 – 2022 | Lecturer

Specialization Course in Architecture for Health.

Pontifical Catholic University (PUC), Rio de Janeiro, Brazil.

2019 – 2024 | Lecturer

Master's Degree in Healthcare Physical Resource Planning.

Faculty of Architecture, Design and Urbanism (FADU), University of Buenos Aires (UBA).

2019 | Lecturer

Master's Degree in Biomedical Engineering.

Favaloro University, Buenos Aires.

2018 | Guest Lecturer

School of Architecture, National University of Moreno, Province of Buenos Aires.

2017 | Guest Lecturer

"Dr. Floreal Ferrara" Advanced Course in Public Health 2016/2017.

Medical College of the Province of Buenos Aires (District IV), San Martín, Province of Buenos Aires.

2013 – 2020 | Lecturer

Postgraduate Specialization Course in Hospital Architecture.

Institute of Hospital Administration and Health Sciences (IAHCS), Porto Alegre, Brazil.

2013 – Present | Guest Lecturer

Architecture Chairs/Studios.

Faculty of Architecture, Design and Urbanism (FADU), University of Buenos Aires (UBA).

2011 | Guest Lecturer

Master's Degree in Public Health.

University of Buenos Aires (UBA).

2010 – 2013 | Lecturer

Latin American Sanitary Architecture Seminar — Master's Degree in Planning and Design of Healthcare Buildings.

Open University of Catalonia (UOC), Barcelona, Spain.

2006, 2009 – 2018 | Lecturer

Healthcare Physical Resource Management and Design Course.

Argentine Association of Hospital Architecture and Engineering (AADAIH).

2003 | Guest Lecturer

Postgraduate Course in Healthcare Physical Environment Management.

Faculty of Architecture, Urbanism and Design, National University of Córdoba (UNC).

2000 – 2018 | Lecturer

Specialization Degree Program in Healthcare Physical Resource Planning.

Faculty of Architecture, Design and Urbanism (FADU), University of Buenos Aires (UBA).

1991 – 1993 | Lecturer

Architecture V (Prof. Horacio Ramos Chair).

Faculty of Architecture, Design and Urbanism (FADU), University of Buenos Aires (UBA).

1985 | Ad-Honorem Lecturer

Architecture I (Prof. Miguel Ángel Roca Chair).

Faculty of Architecture, Design and Urbanism (FADU), University of Buenos Aires (UBA).

RESEARCH EXPERIENCE

August 2020 – August 2022 | Principal Investigator / Director

Project: "Changes in Design Concepts and Criteria for Healthcare Architecture Following the Covid-19 Pandemics."

Institution: Research Secretariat, Faculty of Architecture, Design and Urbanism (FADU), University of Buenos Aires (UBA).

May – December 2020 | Task Force Researcher

Project: "Beyond Covid-19 Task Force." A multicenter research initiative including experts from Austria, Argentina, Belize, France, Finland, Georgia, Italy, Jordan, Netherlands, Panama, Poland, Portugal, Saudi Arabia, Singapore, South Africa, Spain, Switzerland, Taiwan, UK, and USA.

Auspices & Coordination: Sponsored by the International Union of Architects (UIA) and the International Hospital Federation (IHF); coordinated by the IHF, Geneva, Switzerland.

2017 – 2025 | Doctoral Researcher

Thesis: "Architecture for Health: Between the Healing Machine and the Salutogenic Building. Contributions toward a matrix of thought."

Institution: Faculty of Architecture, Design and Urbanism (FADU), University of Buenos Aires (UBA).

2014 – 2019 | Multicenter Project Researcher

Project: "UIA-IHF Project - Reducing hospital costs through better design." Collaborative research including experts from Germany, Argentina, Australia, Belgium, Brazil, Canada, Spain, USA, Philippines, France, Italy, Israel, Malaysia, Norway, Netherlands, Pakistan, Portugal, Singapore, South Africa, and Switzerland.

Auspices & Coordination: Sponsored by the UIA and the IHF; coordinated by the TESIS Inter-University Research Centre, University of Florence, Italy.

2008 | Research Fellow

Grant: Vic & Vicki Weinstein Fellowship awarded by the Institute for Clinical Effectiveness and Health Policy (IECS).

Project: "Planning Project for Healthcare Physical Resources in the Las Piedras and San Francisco Creek Basins, Quilmes District."

CONFERENCES & SEMINARS

As Conference President

April 2027

1st IFHE Latin American Congress & 26th Latin American Congress on Hospital Architecture and Engineering, Buenos Aires. Organized by the Argentine Association of Hospital Architecture and Engineering (AADAIH) and the IFHE Latin America Group.

October 2014

23rd World Congress of the International Federation of Hospital Engineering (IFHE) & 25th Latin American Congress on Hospital Architecture and Engineering, Buenos Aires. Organized by AADAIH and the IFHE.

September 2011

22nd Latin American Congress on Hospital Architecture and Engineering, Buenos Aires. Organized by AADAIH.

As Scientific Committee President / Member

2025 / 2026

Scientific Committee Member, *11th Brazilian Congress on Healthcare Environments*, Brasília, Brazil. Organized by ABDEH.

2024

Scientific Committee Member, *34th Latin American Congress on Hospital Architecture and Engineering*. Organized by AADAIH.

2023 / 2024

Scientific Committee Member, *10th Brazilian Congress on Healthcare Environments*, Río de Janeiro, Brazil. Organized by ABDEH.

2022

Scientific Committee Member, *32nd Latin American Congress on Hospital Architecture and Engineering*. Organized by AADAIH.

2021

Scientific Committee Coordinator, *31st Latin American Congress on Hospital Architecture and Engineering*. Organized by AADAIH.

2020

Jury Member, *International Building Award*, 26th IFHE World Congress, Rome, Italy.

2017

Scientific Committee President, *28th Latin American Congress on Hospital Architecture and Engineering*, Posadas. Organized by AADAIH.

2015

Scientific Committee Coordinator, *26th Latin American Congress on Hospital Architecture and Engineering*, Ushuaia. Organized by AADAIH.

2013

Scientific Committee Member, *24th Latin American Congress on Hospital Architecture and Engineering*, Mendoza. Organized by AADAIH.

2011

Scientific Committee President.

2011

Scientific Committee President, *22nd Latin American Congress on Hospital Architecture and Engineering*, Buenos Aires. Organized by AADAIH.

2009

Scientific Committee Member, *29th International Seminar of the Public Health Group of the International Union of Architects (UIA) & the World Health Organization (WHO)*, Buenos Aires.

2007

Scientific Committee President, *18th Latin American Congress on Hospital Architecture and Engineering*, Buenos Aires. Organized by AADAIH.

2006

Scientific Committee Member, *17th Latin American Congress on Hospital Architecture and Engineering*, Buenos Aires. Organized by AADAIH.

2003

Scientific Committee Member, *14th Latin American Congress on Hospital Architecture and Engineering*, Buenos Aires. Organized by AADAIH.

As Guest & Keynote Speaker**October 2025**

35th Latin American Congress on Hospital Architecture and Engineering, AADAIH, Mar del Plata, Argentina.

November 2023

19th International Congress of the Mexican Society of Architects Specialized in Health (SMAES), Mexico City, Mexico.

October 2023

33rd Latin American Congress on Hospital Architecture and Engineering, AADAIH, Buenos Aires, Argentina.

September 2023

1st Infrastructure and Physical Resource Management Conference, Garrahan Hospital, Buenos Aires, Argentina.

October 2022

6th Hospital Infrastructure Congress, ACOAIH, San José, Costa Rica (Virtual).

November 2021

ABDEH Digital Seminar, Brazil (Virtual).

October 2021

16th National Meeting on Comfort in the Built Environment / 12th Latin American Meeting on Comfort in the Built Environment, Palma TO, Brazil (Virtual).

January 2021

26th World Congress of the International Federation of Hospital Engineering (IFHE), Rome, Italy (Virtual).

December 2020

9th Hospital Infrastructure Congress, Santiago, Chile (Virtual).

October 2020

ABDEH Digital Seminar, Florianópolis, Brazil (Virtual).

August 2019

1st Congress on Engineering and Architecture for Health, Bogotá, Colombia.

July 2019

1st International Meeting on Hospital Infrastructure, APAES, Lima, Peru.

January 2019

1st International Digital Meeting on Medical and Healthcare Facilities, AVAIMS, Caracas, Venezuela (Via Videoconference).

October 2018

8th Brazilian Congress on Healthcare Environments, ABDEH, Curitiba, Brazil.

September 2018

8th Hospital Infrastructure Congress, Santiago, Chile.

June 2017

1st Workshop on Healthcare Infrastructure Project Management, UNOPS, San Salvador, El Salvador (Via Videoconference).

May 2017

4th International Congress on Hospital Architecture and Engineering, CAINH, Havana, Cuba.

October 2016

27th Latin American Congress on Hospital Architecture and Engineering, AADAIH, Buenos Aires, Argentina.

September 2016

7th Brazilian Congress on Healthcare Environments, ABDEH, Salvador, Brazil.

October 2015

Society for Medical Management and Auditing, Argentine Medical Association, Buenos Aires, Argentina.

November 2014

1st Andean and Amazonian Congress on Hospital Architecture & 4th Congress of the Peruvian Federation of Healthcare Administrators (FEPAS), Lima, Peru.

October 2014

14th Hospital Architecture and Engineering Seminar, Hospital Training Conferences (ExpoMedical), Buenos Aires, Argentina.

August 2014

6th Brazilian Congress on Healthcare Environments, ABDEH, Florianópolis, Brazil.

August 2013

5th Colombian Congress of Hospital Architects and Engineers, Cali, Colombia.

November 2012

23rd Latin American Congress on Hospital Architecture and Engineering, AADAIH, La Plata, Buenos Aires, Argentina.

October 2012

5th Brazilian Congress on Healthcare Environments, ABDEH, São Paulo, Brazil.

August 2012

5th Hospital Infrastructure Congress, Santiago, Chile.

April 2012

22nd World Congress of the International Federation of Hospital Engineering (IFHE), Norway.

October 2010

10th Hospital Architecture and Engineering Seminar, Hospital Training Conferences (ExpoMedical), Buenos Aires, Argentina.

October 2010

Regional Conferences on Hospital Architecture and Engineering, Mendoza, Argentina.

August 2010

2nd Colombian Congress of Hospital Architects and Engineers, Cali, Colombia.

August 2010

4th Hospital Infrastructure Congress, Santiago, Chile.

April 2010

4th Brazilian Congress on Healthcare Environments, ABDEH, Brasília, Brazil.

August 2009

1st Colombian Congress of Hospital Architects and Engineers, Cali, Colombia.

August 2009

3rd Hospital Infrastructure Congress, Santiago, Chile.

October 2008

11th Argentine Congress of Social Pediatrics, SAP, Buenos Aires, Argentina.

August 2008

3rd Brazilian Congress on Healthcare Environments, ABDEH, Porto Alegre, Brazil.

November 9, 2007

2nd Joint SUAIH - AADAIH Conference, Montevideo, Uruguay.

September 2007

7th Hospital Architecture and Engineering Seminar, Hospital Training Conferences (ExpoMedical), Buenos Aires, Argentina.

April 2007

International Seminar on Hospital Architecture in the Americas, IMFIS UNC & PAHO (Pan American Health Organization), Córdoba, Argentina.

October 2006

17th Latin American Congress on Hospital Architecture and Engineering, AADAIH, Buenos Aires, Argentina.

September 2005

16th Latin American Congress on Hospital Architecture and Engineering, AADAIH, Buenos Aires, Argentina.

August 2005

1st Hospital Infrastructure Congress, Santiago, Chile.

October 2004

15th Latin American Congress on Hospital Architecture and Engineering, AADAIH, Buenos Aires, Argentina.

September 2004

4th Hospital Architecture and Engineering Seminar, Hospital Training Conferences (ExpoMedical), Buenos Aires, Argentina.

June 2004

24th International Seminar of the Public Health Group (UIA & WHO), São Paulo, Brazil.

August 2003

11th Hospital Maintenance Congress, CAM, Buenos Aires, Argentina.

September 2003

14th Latin American Congress on Hospital Architecture and Engineering, AADAIH, Buenos Aires, Argentina.

November 2002

Congress of Secretaries of Health of the Americas, Rosario, Argentina.

September 2002

13th Latin American Congress on Hospital Architecture and Engineering, AADAIH, Buenos Aires, Argentina.

2002 – Present

Seminars organized by the Argentine Association of Hospital Architecture and Engineering (AADAIH).

September 2001

12th Latin American Congress on Hospital Architecture and Engineering, AADAIH, Buenos Aires, Argentina.

EDITORIAL BOARD MEMBERSHIPS

Editorial Board Member / Coordinator

Revista Anuario AADAIH (Argentine Association of Hospital Architecture and Engineering). ISSN 2344-9993.

Years: 2008, 2009, 2012 (Coordinator), 2015, 2018, 2019, 2020, 2021, 2022, 2023, 2024, and 2025.

PROFESSIONAL PRACTICE (PRIVATE SECTOR)

May 2005 – Present | Partner / Co-Founder

ArquiSalud – Healthcare Infrastructure Planning, Architectural Design, and Construction Administration.

Key projects and commissions include:

Neuquén Province Prototypes (2025): Schematic Design & Design Development for 9 healthcare center prototypes. Total area: 5,604 sq m.

OSPSPA Clinic, Buenos Aires (2022 – 2024): Strategic Planning, Schematic Design, and Design Development for a 92-bed clinic. Total area: 8,000 sq m.

Santiago del Estero University Hospital, La Banda (2021 – 2022): Medical Programming, Schematic Design, and Design Development. Total area: 17,000 sq m.

Fundación Favaloro Outpatient Center, Buenos Aires (2021 – 2022): Schematic Design. Total area: 2,900 sq m.

Rapela Laboratories, Buenos Aires (2021): Facility Master Plan. Total area: 2,400 sq m.

British Hospital Outpatient Center, Buenos Aires (2018): Schematic Design, Design Development, and Construction Administration. Total area: 1,600 sq m.

Fundación Favaloro Outpatient Center, Buenos Aires (2017 – 2018): Schematic Design and Design Development. Total area: 1,700 sq m.

Biarritz Therapeutic Educational Center, Buenos Aires (2017 – 2019): Schematic Design, Design Development, and Construction Administration. Total area: 600 sq m.

Mendez de Andés Therapeutic Educational Center, Buenos Aires (2017 – 2019): Schematic Design, Design Development, and Construction Administration. Total area: 600 sq m.

Termas de Río Hondo Hospital, Santiago del Estero (2016 – 2019): Strategic Planning, Schematic Design, and Design Development. Total area: 6,000 sq m.

Outpatient Medical Center (Saavedra 149/159/161), Buenos Aires (2016 – 2019): Medical Programming, Schematic Design, and Design Development for the Healthcare Workers' Union (OSPSA). Total area: 6,000 sq m.

Outpatient Medical Center (Saavedra 138/148), Buenos Aires (2016 – 2022): Medical Programming, Schematic Design, and Design Development for OSPSA. Total area: 4,000 sq m.

Fundación Favaloro Specialized Units, Buenos Aires (2016 – 2018): Schematic Design, Design Development, and Construction Administration for Angiography, Pharmacy, Emergency Dept., Waste Management, Main Lobby/Ground Floor Courtyard, Sterilization, and Electrophysiology units. Total area: 2,800 sq m.

Pilar Rehabilitation Center, Buenos Aires (2016 – 2025): Strategic Planning, Architectural Design, and Construction Administration. Total area: 10,000 sq m.

Outpatient Medical Center (Campichuelo 668), Buenos Aires (2015 – 2018): Medical Programming, Schematic Design, Design Development, and Construction Administration for the Telephone Workers' Compensatory Fund. Total area: 3,000 sq m.

OSMMEDT Asamblea Diagnostic Center, Buenos Aires (2015 – 2021): Strategic Planning, Architectural Design, and Construction Administration. Total area: 1,800 sq m.

OSMMEDT Lope de Vega Diagnostic Center, Buenos Aires (2015 – 2021): Strategic Planning, Architectural Design, and Construction Administration. Total area: 1,600 sq m.

Federal University of Lavras Teaching Hospital, Minas Gerais, Brazil (2015): Healthcare Design Consulting & Schematic Design Review. Total area: 49,500 sq m.

Fundación Favaloro Neurosciences Center, Buenos Aires (2014): Schematic Design and Design Development. Total area: 700 sq m.

Fundación Favaloro Outpatient Center, Pilar, Buenos Aires (2013 – 2015): Schematic Design and Design Development. Total area: 800 sq m.

Pilar Occupational Diagnostics Center, Pilar, Buenos Aires (2013): Schematic Design and Design Development. Total area: 950 sq m.

La Banda Comprehensive Health Center, Santiago del Estero (2011 – 2015): Strategic Planning, Schematic Design, and Design Development. Total area: 15,000 sq m.

Churruca-Visca Hospital, Buenos Aires (2011 – 2012): Facility Master Plan. Total area: 39,000 sq m.

Ministry of Defense Blood Center, Buenos Aires (2011): Schematic Design and Design Development. Total area: 1,100 sq m.

Sanatorio Junín, Junín, Buenos Aires (2011 – 2012): Facility Master Plan (3,000 sq m) and Inpatient Unit Design (950 sq m).

Chacabuco Clinic, Chacabuco, Buenos Aires (2010 – 2011): Preliminary Outpatient Expansion Sketches (1,000 sq m) and MRI Department Project (250 sq m).

Ministry of Defense Preventive Medicine Center, Buenos Aires (2010 – 2011): Schematic Design and Design Development. Total area: 900 sq m.

Regional Hemotherapy Center, Santiago del Estero (2009 – 2011): Strategic Planning, Schematic Design, and Design Development. Total area: 700 sq m.

ArquiSalud (Continued):

Regional Hospital, Santiago del Estero (2009 – 2014): Strategic Planning, Schematic Design, and Design Development for the Emergency Department, Intensive Care Units, Neonatology, and Obstetrics Wing. Total area: 6,400 sq m.

Comprehensive Alzheimer's Disease Treatment Center, Buenos Aires (2009 – 2015): Schematic Design, Design Development, and Construction Administration. Total area: 3,000 sq m.

British Hospital, Buenos Aires (2009 – 2012): Schematic Design and Design Development for multiple corporate projects. Total area: 3,000 sq m.

Rivadavia Hospital National Design Competition (2008): Awarded *Honorable Mention* for the Preliminary Schematic Design. Total area: 102,000 sq m.

Hirsch Home Expansion & Remodeling Design Competition (2008): Awarded *First Prize* for the Schematic Design, San Miguel, Province of Buenos Aires. Total area: 12,262 sq m.

Comprehensive Ambulatory Surgery Center, Junín, Province of Buenos Aires (2008): Schematic Design. Total area: 620 sq m.

4 Primary Healthcare Centers, Province of Buenos Aires (2008): Design Development funded under Inter-American Development Bank (IDB) Loan 1170. Total area: 858 sq m.

"Dr. Carlos Malbrán" National Institute of Microbiology (CONICET), Buenos Aires (2007 – 2010): Design Development for the Research Building. Total area: 10,822 sq m.

San Cayetano Clinic, Buenos Aires (2007): Institutional Diagnosis, Strategic Planning, Medical Programming, and Feasibility Study. Total area: 13,021 sq m.

Clínica Bessone Annex Building, San Miguel, Province of Buenos Aires (2007 – 2008): Schematic Design, Design Development, and Construction Administration. Total area: 4,488 sq m.

Climédica, Buenos Aires (2007): Institutional Diagnosis, Strategic Planning, Medical Programming, and Facility Master Plan. Total area: 2,165 sq m.

New FLENI 2010 Building Design Competition (2006): Awarded *Second Prize* for the Schematic Design, Escobar, Province of Buenos Aires. Total area: 22,296 sq m.

Clínica Bessone Surgical Suites, San Miguel, Province of Buenos Aires (2006 – 2007): Schematic Design, Design Development, and Construction Administration. Total area: 570 sq m.

Rehabilitation Center, Concordia, Entre Ríos (2006): Strategic Planning, Medical Programming, Feasibility Study, and Schematic Design. Total area: 287 sq m.

Clínica Bazterrica, Buenos Aires (2005): Institutional Diagnosis, Strategic Planning, Medical Programming, and Schematic Design. Total area: 12,000 sq m.

January 1993 – July 2000 | Partner / Co-Founder

Erik Guth & Luciano Monza – Healthcare Infrastructure Planning, Architectural Design, and Construction Administration.

Key projects and commissions include:

San Isidro Labrador Clinic, Chacabuco, Province of Buenos Aires (1999 – 2000): Strategic Planning, Schematic Design, and Design Development. Total area: 2,500 sq m.

Dr. Guillermo Rawson Hospital, San Juan (1998): Bidding Schematic Design for a 39,000 sq m facility (renovation and new construction). Commissioned by Benito Roggio e Hijos, Petersen, Thiele & Cruz, and Madcur Construcciones. Joint venture with Benadon, Berdichevsky, Cherny Architecture Firm.

British Hospital, Buenos Aires (1998): Design Development for the ER, Outpatient Surgery, and Inpatient Care Annex Building. Total area: 1,620 sq m.

Italian Hospital of Buenos Aires (1998 – 1999): Construction Administration for the ER Central, Mammography Department, and Lithotripsy Center renovation. Total area: 840 sq m.

British Hospital, Buenos Aires (1997 – 1998): Design Development and Construction Administration for the 2nd and 6th-floor surgical suites remodeling (including a high-containment laminar flow operating room). Total area: 190 sq m.

Policlínica Bancaria, Buenos Aires (1997 – 1999): Institutional Diagnosis, Strategic Planning, Medical Programming, and comprehensive Master Plan for a 31,954 sq m facility. Handled Schematic Design (5,129 sq m), Design Development (3,336 sq m), and Construction Administration (2,099 sq m) across multiple hospital departments.

Junín Acute Care Zonal Hospital, Province of Buenos Aires (1997): Bidding Schematic Design for an 8,300 sq m facility (renovation and new construction). Joint venture with Gassó & Rosas Architecture Firm.

Cochabamba Regulatory & Dispatch Centers, Bolivia (1997): Medical Programming and Schematic Design. Commissioned by HTA Project S.A. Total area: 750 sq m.

Spanish Hospital Cardiology Institute, Buenos Aires (1996 – 1997): Design Development and Construction Administration for Phase II remodeling. Joint venture with Alvarado, Font & Sartorio Architecture Firm. Total area: 750 sq m.

Centro Gallego, Buenos Aires (1996): Design Development and Construction Administration for the Outpatient Department. Total area: 400 sq m.

Community Private Hospital, Mar del Plata, Province of Buenos Aires (1996): Preliminary Schematic Design for the new Outpatient Building (Paid, invitation-only design competition). Total area: 3,401 sq m.

Dr. Enrique Marengo Hospital, San Martín, Province of Buenos Aires (1995): General Renovation Schematic Design (800 sq m) and ER Department Expansion Design Development (210 sq m).

Italian Hospital of Buenos Aires (1995 – 1999): Medical Programming, Design Development, and Construction Administration for the Orthopedics and Traumatology Surgical Suites (including a high-containment laminar flow operating room). Total area: 450 sq m.

Artémides Zatti Hospital, Viedma, Río Negro (1995): Strategic Planning, Medical Programming, Schematic Design, and Design Development for a comprehensive facility remodel. Commissioned by Proel Consulting Firm; funded by the World Bank. Total area: 6,500 sq m.

La Merced Hospital, Catamarca (1995): Remodeling Schematic Design (1,500 sq m) and Design Development (480 sq m). Funded by the World Bank.

Argentine Orthodontics Society Headquarters, Buenos Aires (1995): Schematic Design (Paid, invitation-only design competition). In collaboration with Arch. Garrido. Total area: 950 sq m.

Los Altos Health Center, Catamarca (1994 – 1995): Schematic Design and Design Development. Funded by the World Bank. Total area: 350 sq m.

Ferrovuario Polyclinic, Buenos Aires (1994): Institutional Diagnosis, Strategic Planning, Medical Programming, and Feasibility Study. Commissioned by Innovación Médica; advised by Mercy International Consultants. Total area: 31,000 sq m.

Dr. Guillermo Rawson Hospital, San Juan (1994): Institutional Diagnosis, Strategic Planning, and Comprehensive Refurbishment Feasibility Study. Conducted for the U.S. Trade & Development Agency under the "Healthcare Services Optimization Program in the Argentine Republic". Total area: 24,800 sq m.

Dr. Marcial Quiroga Hospital, San Juan (1994): Institutional Diagnosis, Strategic Planning, and Comprehensive Refurbishment Feasibility Study. Conducted for the U.S. Trade & Development Agency under the "Healthcare Services Optimization Program in the Argentine Republic". Total area: 14,500 sq m.

Río Gallegos Regional Hospital, Santa Cruz (1993): Bidding Schematic Design for a new 15,000 sq m hospital. Developed for Rocavid Group, in collaboration with Biquard, Marjovsky & Urruty Architecture Firm.

La Pequeña Familia Sanatorium, Junín, Province of Buenos Aires (1993): Feasibility Study (2,000 sq m) and Design Development (700 sq m). Joint venture with Arch. Graciela Lerch.

Círculo Médico Quilmes Sanatorium, Province of Buenos Aires (1993): Schematic Design (Paid, invitation-only design competition). Joint venture with Arch. Jorge Cortiñas; commissioned by FEMEBA. Total area: 5,100 sq m.

"Dr. Carlos Malbrán" National Institute of Microbiology, Buenos Aires (1993 – 1994): Design Development and Construction Administration for Viral Laboratories, Animal Facility (Bioterio), Auditorium, Lobby, and Daycare Center. Joint venture with Goldman-Gómez Luengo Architecture Firm. Total area: 610 sq m.

Buenos Aires Municipal Healthcare Network (1993): Physical and Functional Survey of the 61 health facilities owned by the Municipality of Buenos Aires. Conducted for Goldman-Gómez Luengo Architecture Firm.

Spanish Hospital, Buenos Aires (1993 – 1996): Schematic Design, Design Development, and Construction Administration for specialized departments (Surgical Suites, Ambulatory Surgery, Sterilization, and Obstetrics Wing). Joint venture with Roy, Turniansky & Mondschein Architecture Firm.

July 1992 – December 1992 | Associate Architect
In partnership with Arch. Flavio Ginés

Key projects included:

Fachinsky Metalworking Industries, San Martín, Province of Buenos Aires: Expansion and Remodeling Project Design.

Summer House in Cariló, Province of Buenos Aires: Residential Architectural Design.

Maceió Coffee Shop, Unicenter Shopping, San Isidro, Province of Buenos Aires: Schematic Design.

Lead Project Designer | Arch. Erik T. A. Guth & Associates Firm (November 1990 – June 1992)

Spanish Hospital Cardiology Institute, Buenos Aires (1991 – 1992): Schematic Design (6,800 sq m), Design Development, and Construction Administration (2,000 sq m) for Phase I remodeling. Joint venture with Alvarado, Font & Sartorio Architecture Firm.

Sirio Libanés Hospital, Buenos Aires (1990 – 1991): Remodeling Feasibility Study for a 6,500 sq m facility. Joint venture with Arch. Osvaldo Donato.

Spanish Hospital Nephrology Institute, Buenos Aires (1990): Schematic Design. Total area: 1,600 sq m.

Nephrology Institute, Buenos Aires (1990 – 1991): Strategic Planning, Medical Programming, and Schematic Design. Total area: 550 sq m.

Clínica Modelo Lanús, Province of Buenos Aires (1990 – 1992): Schematic Design, Design Development, and Construction Supervision for Interventional Cardiology (Hemodynamia), Hemodialysis, Intensive Care Unit (ICU), and Gamma Camera departments.

Spanish Hospital, Buenos Aires (1990 – 1992): Schematic Design, Design Development, and Construction Administration for specialized departments (Hemodialysis, Emergency, Hematology, and Outpatient Clinic).

Draftsman & Project Designer | Archs. Lucio Neumann & Martín Gaite Firm (May – October 1990)

García Residence Expansion, San Isidro, Province of Buenos Aires: Residential Architectural Design.

Cabrera Residence, Buenos Aires: Residential Architectural Design.

Esmesa S.A. Offices, Buenos Aires: Commercial Workplace Design.

Sulzer S.A. Offices, Buenos Aires: Commercial Workplace Design.

Draftsman & Project Designer | Arch. Erik T. A. Guth & Associates Firm (April – December 1989)

Spanish Hospital, Buenos Aires: Developed the Facility Master Plan for a 23,800 sq m comprehensive hospital remodel.

Draftsman | Archs. Alvarado, Font & Sartorio Firm (December 1988 – March 1989)
Dow Chemical Argentina Laboratories, Buenos Aires: Industrial Plant Facility Design.

Draftsman | Archs. Adrián Barcesat & Nora Vitorgan Firm (August – October 1988)
Cantilo 4470 Residential Building, Buenos Aires: Multi-family Housing Project Design.

Draftsman & Project Designer | Arch. Eduardo Ginés & San Martín Metalworking Enterprise (March – July 1988)

Primary School, Tierra del Fuego: Schematic Design.

Sheet Metal Prefabricated Housing: Technical Product Design.

Project Team Coordinator | Archs. Nora Brichetto & Mónica Murray Firm (February – November 1987)

60 Housing Units in Ushuaia: Construction Documentation and Schematic Design for the Tierra del Fuego Territory Bank (*Awarded First Prize*).

Draftsman | Arch. Erik T. A. Guth & Associates Firm (May 1983 – December 1986)

Private Health Hospital, Villa María, Córdoba (1985): Facility Feasibility Study (4,500 sq m) and Schematic Design (1,350 sq m).

UOM Avellaneda Regional Sanatorium, Province of Buenos Aires (1984): Field Construction Assistance for a 14,685 sq m facility.

Vicente López Municipal Hospital, Province of Buenos Aires (1984): Remodeling Feasibility Study for an 11,200 sq m facility.

Mariazell Clinic, Junín, Province of Buenos Aires (1983 – 1984): Feasibility Study, Schematic Design (2,400 sq m), Design Development (1,600 sq m), and Field Construction Assistance (800 sq m).

PROFESSIONAL PRACTICE (PUBLIC SECTOR)

February 2021 – April 2023 | Senior Advisor

Provincial Directorate of Hospitals – Ministry of Health, Government of the Province of Buenos Aires

Provided strategic advice on provincial healthcare infrastructure and hospital asset planning.

January 2008 – December 2011 | Senior Advisor

Urban Planning Commission – Legislature of the City of Buenos Aires

Advised on city-wide urban codes, healthcare zoning laws, and spatial planning policies.

February 2004 – December 2007 | Program Coordinator (Director General Rank)

Investment Plan Support Subprogram (IDB-GCBA Loan 1107/OC-AR) – Ministry of Economy and Finance, Government of the City of Buenos Aires

Supervised and managed the execution of over 150 public infrastructure projects, public bids, and construction works totaling approximately **USD 200 million**. Managed technical consultancies for project development and construction inspections across Culture, Social Development, Urban Development, Education, and Health sectors.

Key public works completed under supervision:

Ministry of Culture: Casa de la Cultura, San Martín Cultural Center, Recoleta Cultural Center, Colón Theatre, and General San Martín Theatre.

Ministry of Human Rights: Corporate Institutional Headquarters.

Ministry of Education: Saavedra Educational Hub, Villa 20 Educational Complex, 4 Middle Schools, 2 Higher Education/Tertiary Colleges, 5 Early Childhood Schools, 5 Elementary Schools, and 1 Kindergarten.

Ministry of Planning and Public Works: Western Green Corridor, Plaza Constitución Transit Hub, Fish Market Surrounding Urban Development, and Ciudad Universitaria Coastal Defense.

City Housing Institute (IVC): Urban infrastructure and utility integration across 12 informal settlements (Villas) and urban neighborhoods.

Ministry of Health: New SAME (Emergency Medical Services) headquarters, Elizalde Children's Hospital, 22 Primary Healthcare Centers (CeSACs), 7 expansion works in Mental Health Hospitals, 2 major works in General Acute Hospitals, comprehensive IT networking for 31 hospitals, and electrical grid upgrades in 19 hospitals.

**October 2001 – January 2004 | Healthcare Physical Resources Project Coordinator
Secretariat of Health – Government of the City of Buenos Aires (IDB-GCBA Loan
1107/OC-AR)**

Led the strategic team tasked with planning public health facilities.

Key achievements and responsibilities:

Developed and implemented the City's official Healthcare Physical Resource Planning Methodology.

Created and launched **PRIDAS** (Interactive Health Data Program), a proprietary custom software tool for healthcare asset mapping and facility planning.

Compiled the official City Health Facilities Registry: processed alphanumeric surveys and full architectural digitization (layouts, MEP installations, and biomedical equipment) of over 600,000 sq m across 33 hospitals.

Conducted physical resource diagnostics for city public health providers (33 hospitals and 32 healthcare centers) and their systemic networks.

Authored strategic guidelines and master recommendations for the City's Healthcare Physical Resources Strategic Plan.

Designed the comprehensive refurbishment and expansion plan for the City's Primary Healthcare Centers network.

Designed the structural rehabilitation master plan for the City's Mental Health Network.

Developed custom software tailored for hospital maintenance management and facility operations control.

Designed the organizational structure for the central Hospital Maintenance Management & Auditing Body.

**March 2000 – January 2004 | Healthcare Infrastructure Consultant
Investment Plan Support Subprogram – Government of the City of Buenos Aires (IDB-
GCBA Loan 1107/OC-AR)**

Coordinated and monitored architectural design development, compiled public procurement documents, and oversaw bidding and contract awards for major healthcare works under the Secretariat of Health:

Comprehensive Rehabilitation of Alvear Hospital (5,730 sq m).

Refurbishment of Pavilions 25A and 25B at Borda Mental Health Hospital (11,640 sq m).

Refurbishment of the Riglos-San Juan Pavilion at Moyano Mental Health Hospital (6,000 sq m).

Remodeling and expansion of Primary Healthcare Centers No. 2 (466 sq m), No. 3 (1,066 sq m), No. 10 (872 sq m), and No. 18 (326 sq m).

Construction of New Primary Healthcare Centers: No. 1, 11, 16, 17, 19, 29, 35, 36, 37, 38, 39, 40, 41, 42, 43, and 44 (ranging from 300 to 1,040 sq m).

Developed a standardized architectural prototype system for primary healthcare centers based on site conditions, offering three scalable size modules.

Oversaw IT and data networking rollout across 31 municipal hospitals.

Emergency Department Facility Project at Pirovano Hospital (1,000 sq m).

Outpatient Department Facility Project at Vélez Sarsfield Hospital (1,600 sq m).

EXHIBITIONS & PRESENTATIONS

November 2023

"Centro Integral de Salud de La Banda, Santiago del Estero." Presented at the 19th

International Congress of the Mexican Society of Architects Specialized in Health (SMAES), Mexico City, Mexico.

July 2021

"Sustainability and Humanization in a Rehabilitation Center." Presented at the *40th International Union of Architects – Public Health Group (UIA-PHG) International Seminar* during the *UIA2021RIO World Congress of Architects*, organized by the *UIA Public Health Group*.

April 2011

"Centro Integral de Tratamiento para la Enfermedad de Alzheimer (CITEA)" (Comprehensive Treatment Center for Alzheimer's Disease). Presented at the *6th Latin American and Caribbean Congress of Gerontology and Geriatrics*, organized by *COMLAT-IAGG*.

September 2003

"Planificación y Proyectos de la Red del Primer Nivel de Atención del GCBA" (Planning and Projects for the Primary Healthcare Network of the Government of the City of Buenos Aires) and "Proyectos en Hospitales de Salud Mental del GCBA" (Projects in Mental Health Hospitals of the City of Buenos Aires). Presented at the *14th Latin American Congress on Hospital Architecture and Engineering*, organized by *AADAIH*.

July 2003

"Planificación y Proyectos de la Red del Primer Nivel de Atención del GCBA," "Proyectos en Hospitales de Salud Mental del GCBA," and "Desarrollos Informáticos para la Planificación y el Mantenimiento del Recurso Físico en Salud" (IT Developments for Planning and Maintenance of Healthcare Physical Resources). Presented at *ExpoSalud*, organized by the *Secretariat of Health of the Government of the City of Buenos Aires*.

September 2001

"Remodelación del Instituto de Cardiología del Hospital Español de Buenos Aires" (Remodeling of the Cardiology Institute of the Spanish Hospital of Buenos Aires). Presented at the *12th Latin American Congress on Hospital Architecture and Engineering*, organized by *AADAIH*. (Note: This project was awarded 2nd Prize in the *Recycled Buildings* category at the *Annual Healthcare Architecture Awards for works of the 1990s*).

September / October 1998

"Plan Director para la Policlínica Bancaria de Buenos Aires" (Master Plan for the Policlínica Bancaria of Buenos Aires). Presented at the *9th Latin American Congress on Hospital Architecture and Engineering*, organized by *AADAIH*.

September / October 1998

"Proyecto Edificio Anexo. Hospital Británico de Buenos Aires" (Annex Building Project for the British Hospital of Buenos Aires). Presented at the *9th Latin American Congress on Hospital Architecture and Engineering*, organized by *AADAIH*.

September 1997

"Segunda Etapa de Remodelación del Instituto de Cardiología del Hospital Español de Buenos Aires" (Phase II Remodeling of the Cardiology Institute of the Spanish Hospital of Buenos Aires). Presented at the *8th Latin American Congress on Hospital Architecture and Engineering*, organized by *AADAIH*.

September 1993

"Anteproyecto para Clínica del Centro Médico Quilmes" (Schematic Design for the Quilmes

Medical Center Clinic). Presented at the *4th Latin American Congress on Hospital Architecture and Engineering*, organized by AADAIH.

September 1992

"Primera Etapa de Remodelación del Instituto de Cardiología del Hospital Español de Buenos Aires" (Phase I Remodeling of the Cardiology Institute of the Spanish Hospital of Buenos Aires). Presented at the *3rd Latin American Congress on Hospital Architecture and Engineering*, organized by AADAIH.

February / March 1992

"Propuesta de Urbanización para el Área del Antiguo Puerto Madero de Buenos Aires" (Urban Development Proposal for the Historic Puerto Madero Area of Buenos Aires). Presented at the *National Competition of Ideas for Puerto Madero*, held at the Central Hall of the General San Martín Theatre, Buenos Aires.

October 1991

"Anteproyecto para un Instituto de Nefrología en Buenos Aires" (Schematic Design for a Nephrology Institute in Buenos Aires). Presented at the *Buenos Aires Architecture Biennale*.

AWARDS & HONORS

2023 | Best Healthcare Institution Architecture & Planning Studio (Argentina) & Best Sustainable Healthcare Architecture Project (South America)

Awarded for the *Pilar Rehabilitation Center* project by AI Global Media, United Kingdom. Developed under ArquíSalud Guth Irigoyen Monza.

2021 | 1st Prize – New Buildings Category (Over 5,000 sq m)

Latin American Healthcare Architecture Award 2021. Awarded for the *La Banda Comprehensive Health Center* (Santiago del Estero) by the Colombian Society of Architects, the Colombian Association of Hospital Architects and Engineers, the Andean Group Regional Architects, and the Pan-American Federation of Architects' Associations. Developed under ArquíSalud Guth Irigoyen Monza.

2021 | 3rd Prize – Non-Residential Buildings Category

CAPBA Award for Completed Architecture 2021. Awarded for the *La Banda Comprehensive Health Center* (Santiago del Estero) by the Architects' Association of the Province of Buenos Aires. Developed under ArquíSalud Guth Irigoyen Monza.

2001 | 2nd Prize – Recycled Buildings Category

Annual Healthcare Architecture Award for Works of the 1990s. Awarded for the *Remodeling of the Cardiology Institute of the Spanish Hospital of Buenos Aires* by the Central Society of Architects (SCA) and AADAIH. Joint venture with Arch. Erik Guth and Archs. Alvarado, Font, Sartorio.

PROFESSIONAL MEMBERSHIPS & LICENSURES

International Federation of Hospital Engineering (IFHE)

Council Member representing Argentina (2012 – Present).

Argentine Association of Hospital Architecture and Engineering (AADAIH)

President (2008 – 2010), *Vice President* (2010 – 2012), *Assistant Secretary* (2006 – 2008),

Assistant Treasurer (2018 – 2020), and *Board Member* (2002 – 2006, 2012 – 2018, and 2020 – 2026).

Chilean Association of Hospital Architecture and Specialties (AARQHOS)

Honorary Member (2012 – Present).

Professional Council of Architecture and Urbanism (CPAU) — Buenos Aires

Licensed Architect, Registration No. 18.274.

Architects' Association of the Province of Buenos Aires (CAPBA)

Licensed Architect, Registration No. 23.586.

Architects' Association of Santiago del Estero (CASDE)

Licensed Architect, Registration No. 1.105.

Architects' Association of Neuquén (CANQN)

Licensed Architect, Registration No. 18.274.

OTHER PROFESSIONAL ACTIVITIES

2006 – Present | Expert Peer Reviewer / Evaluator

National Commission for University Evaluation and Accreditation (CONEAU), Ministry of Education of the Argentine Republic.
