*Dear IFHE General Secretary Darryl Pitcher,
Dear IFHE Secretariat Dan Fuochi,*

Thank you very much for sharing the Call for Nominations for Members of the IFHE Executive Committee.

*On behalf of our organization, **FKT e.V.**, and its members, we are pleased to nominate **Mr. Matthias Schwabe** for the position of **Treasurer** of the IFHE Executive Committee.*

We consider Matthias Schwabe to be a highly qualified and proven candidate. It would be both an honor and a pleasure for us if he could continue to contribute to the work of the IFHE Executive Committee in his current role as Treasurer. Throughout his tenure, Matthias has demonstrated exceptional commitment, reliability, and leadership, and has served as an important connecting and coordinating link between FKT e.V. and IFHE.

*In addition, **Dr. Mandana Schaffii** has already demonstrated her strong engagement through her regular participation in IFHE Council meetings, as well as through her active involvement in the **Working Committee on Educational Content**.*

We are confident that the continued involvement of both colleagues would be of significant value to the future work of IFHE Exco and ongoing development of IFHE.

Yours sincerely,

FKT e.V

Please feel free to contact me if you have any questions.
