

Dear IFHE General Secretary Darryl Pitcher
and IFHE Secretariat Dan Fuochi,

As President of the Brazilian Association for the Development of Hospital Buildings (ABDEH), I am submitting our nominations for the Executive Committee elections, ahead of the Council meeting scheduled to take place alongside the 29th IFHE Congress in New Orleans, USA.

Nominees:

- 1 - Fábio Bitencourt – ABDEH – Brazil – for President and/or Vice-President
- 2 – Doris Vilas-Boas – ABDEH – Brazil – ExCo position
- 3 – Luciano Monza – AADAIH – Argentina – ExCo position

Attached, please also find the information requested for the nomination for President and/or Vice-President, including the respective CV and proposals for the IFHE: a statement of qualifications and a statement from the candidate regarding the actions they propose to undertake on behalf of the IFHE.

I hope this selection process strengthens our Federation and provides the necessary representation for our efforts to promote the value of healthcare architecture and engineering—and the professionals working in these fields—worldwide.

Sincerely,

Doris Vilas Boas
