Mr. Darryl Pitcher
IFHE General Secretary

&

Mr. Dan Fuochi
IFHE Secretariat

Re: *Nomination of Mr. Mike Wood for IFHE Executive Council Member (Term: October 2026 – October 2028)*

Dear Msrs. Pitcher and Fuochi,

On behalf of the Association for Medical Facility Professionals (AMFP), we are pleased to formally submit the nomination of **Mr. Mike Wood**, Co-Founder of AMFP, Past President of AMFP & Distinguished Lifetime member of AMFP (USA), for a position on the **Executive Council Member of the International Federation of Healthcare Engineering (IFHE)** for the term **October 2026 through October 2028**.

In my respective capacity as **Executive Director**, I hereby certify that Mr. Wood has been duly approved by the AMFP Board of Directors by unanimous consent as this Association's official nominee. We affirm that Mr. Wood is a **Member in Good Standing** of AMFP and is therefore fully compliant with **IFHE Standing Order SO.001.06**.

AMFP is proud to strongly endorse Mr. Wood as an exceptionally qualified candidate. His distinguished career reflects decades of impactful leadership and steadfast commitment to advancing the international environment of care. Through his extensive involvement in professional associations, organizations, and nonprofit initiatives, Mr. Wood has consistently demonstrated a dedication to fostering innovation, raising global awareness, and advancing sustainable improvements in healthcare delivery systems worldwide. We are confident that his experience, vision, and leadership will serve IFHE with distinction.

In accordance with **Standing Order SO.001.12** and the **Call for Candidates dated April 9, 2026**, we confirm that Mr. Wood's **Statement of Qualifications** and **Candidate's Statement of Proposed Actions** accompany this nomination.

AMFP remains firmly committed to its longstanding relationship with IFHE as the recognized **A Member association representing the United States of America**. We value our shared mission and look forward to continued collaboration in advancing excellence in healthcare engineering globally.

Please do not hesitate to contact us should you require any additional information or clarification regarding this nomination.

Sincerely,

Jason Roberts
